**ASSOCIATION OF TELECOMMUNICATION OPERATORS IN CAMBODIA**

*Phnom Penh, 25 March 2021*

**PRESS RELEASE**

On 14 January 2021 the Association of Telecommunication Operators in Cambodia (“ATOC”) was duly registered with Ministry of Interior in accordance with the laws of Cambodia. ATOC has its office at Soma Building 5th Floor, #2C, Street 120, Sangkat Psar Thmey II, Khan Daun Penh, Phnom Penh.

ATOC was founded by four founding members: Smart Axiata Co., Ltd., CAMGSM Co., Ltd., VIETTEL (Cambodia) Pte, Ltd., and South East Asia Telecom (Cambodia) Co., Ltd. ATOC is also open for other telecommunication operators to join as its members.

The founding members have appointed an executive committee to ensure the daily operation of the association. The executive committee is chaired by Mr. Ly Tayseng as President.

ATOC has its main objectives and goals to be a representative of its members in dealing with other actors in the private and public sectors, sharing and exchanging ideas and information, updating laws and regulations, raising and voicing concerns of its members, and advising and supporting its members for its business operation in Cambodia, and to contribute to further development of telecommunication industry.

The mission of ATOC is to promote the positioning of the telecommunication industry as the major enabling partner for the Royal Government of Cambodia in its endeavor of digitalizing the national economy in line with the direction set by the Rectangular Strategy and the Industrial Development Policy of the Royal Government of Cambodia.

On 25 March 2021, ATOC held its first extraordinary general meeting to start the operation of the association.
